Dear friends at ARAS,

On behalf of our entire team and the communities we serve, I want to personally welcome you to the All Hands and Hearts family and thank you for your incredible support through the 2019 ARAS 5K Walk-A-Thon. Your thoughtful and generous efforts and gifts bring hope and renewal to communities in the US affected by recent hurricanes. What an amazing way to honor Bob Hamilton and the mark he left on your organization!

All Hands and Hearts works efficiently and effectively to address the immediate and long-term needs of people whose lives have been disrupted by natural disasters. We listen to local communities and deploy our unique model of engaging volunteers to enable direct impact, rebuilding safe, resilient schools, homes and other community infrastructure. Our work is only possible because of supporters like you.

With deep gratitude,

Olivia Gauvin
Donor Engagement Manager
