Dear Association of Residency Coordinators:

On behalf of the Board of Directors, staff, volunteers and especially the veterans, I thank each of you for your contribution of \$340.00 received by Pets for Vets, Inc. on May 18, 2015 in memory of Bob Hamilton and designated for the Seattle Chapter. Your donation is a concrete way to show your support for our returning veterans. The Pets for Vets program is dedicated to providing a second chance for shelter pets by rescuing, training and pairing them with America's veterans who want a companion, at no cost to the veteran.

Medical studies have shown that companion animals significantly improve mental and physical health, including reducing stress, depression and anxiety; symptoms experienced by many serving in our military. Your contribution helps us match a rescued shelter dog (or pet) with an American veteran who would benefit from having a companion. Each veteran-pet match receives all of the necessary equipment for them to start their new life together. Your support helps ensure they have everything they need.

Your gift is helping to make a difference in the lives of veterans and shelter dogs.

Thank you,

*Clarissa Black*
